Warranty

All the illustrations and descriptive matter in this handbook are intended to give a general idea of the caravan. Changing market and supply situations and our policy of continuous product development may prevent us from maintaining the exact specifications detailed in this handbook. We therefore reserve the right to alter specifications as materials and conditions demand.

Dealers are not agents of Swift Group Limited, the manufacturer of Swift Group caravans and have absolutely no authority to bind the manufacturer by any express or implied undertaking or representation.

All caravans have a 3 year SuperSure manufacturer's warranty from the date of purchase (or hire purchase), which is subject to a chargeable annual service and inspection being carried out at an authorised Swift Group Service Centre.

During the warranty period, subject to the exclusions set out in this section of the handbook, the manufacturer, Swift Group Limited, will repair (or at its option, replace) all defective parts of the caravan.

The manufacturer will honour the warranty until 36 months from the date of sale, provided that the caravan has been serviced annually within 90 days before or 60 days after each anniversary of the

original date of sale. The third service must, however, be carried out before the expiry of the 36 month period from the original date of sale.

In the first 12 months the warranty will cover:

Faults arising from a manufacturing defect but not those which are a result of normal wear and tear or those which relate to replacement light bulbs.

Also not covered under the first year are faults resulting from accidental damage or damage caused by misuse of any component part of the caravan.

In the years two and three the warranty will cover:

1. All original components of the caravan including permanently fitted equipment forming part of the manufacturer's original specification.
2. Water ingress and body delamination.

Specific exclusions to Supersure Warranty during years two and three

- Tyres including jockey wheel, glass including heat shields, sink lids, mirrors.
- Paintwork including all exterior paint, heat shields, heater cases and all other painted surfaces.

- Decals, mirror transfers, resin badges.
- GRP/ABS A frame covers, wheel spats and skirts.
- Cosmetic finishes to kitchen sinks, cooker tops, vanity units, shower trays.
- Soft furnishings including upholstery, curtains, pelmets.
- Carpets, lino and floor coverings including door mats, shower mats.
- Work surfaces, tables, and flaps.
- Wallboards, ceiling boards and all other interior décor finishes.
- Window catches, stays and associated fittings.
- Blinds and flyscreens including door, Heki and other rooflights.
- All hinges, catches, knobs, stays and handles (interior and exterior).
- Replacement of bulbs, fluorescent tubes, fuses and electrical connections including 12n and 12s plugs, high level brake lights and bulb contacts.
- Audio equipment including radios, speakers, aerials and associated parts.
- Bent jockey wheels, assemblies and corner steadies.

- Fair wear and tear, accidental damage or any damage caused by the misuse of any component fitted by the manufacturer.
- Routine maintenance items which are part of the annual service including brake shoes, one shot nuts, lubricants, AKS pads, rubber gas hose, the cleaning of the heater and fridge flues, the replacement of gas jets, the resealing and/or replacement of shower room sealant, and the adjustment and lubrication of locks.

General terms applying to all three years of the warranty period

The caravan is not covered for:-

- The failure of a component for reasons of fair wear and tear.
- Damage resulting from accidents.
- Misuse of any component.
- Normal deterioration or negligence of any person other than the Swift Group Limited which causes stoppage of or impairment to the function of any component of the caravan.
- Replacement of parts which have reached the end of their effective working life because of age and/or usage.
- Cleaning or adjustment of any assemblies.

The warranty will be invalidated if the caravan has been neglected, misused or, modified or for hire or reward. The caravan will be deemed to have been neglected if it has not been serviced and maintained as stated in this handbook.

The warranty only applies to caravans purchased and used within the UK, and for continuous journeys abroad of no longer than 90 days per journey.

The cost of transporting, towing or moving the caravan by any means to or from the place of repair is the responsibility of the owner.

The benefit of this warranty may be transferred to a new owner if the caravan is sold, provided that the caravan has been serviced by an authorised Swift Group Service Centre in accordance with the requirements of this handbook, and details of the change of ownership have been supplied to Swift Group using the change of ownership form set out in this handbook. Failure to notify Swift Group of a change of ownership within 14 days of such a change will invalidate the warranty.

You have legal rights under UK law governing the sale of consumer goods. This warranty does not affect your legal rights.

Warranty

Assistance

WHAT TO DO IF YOU REQUIRE ASSISTANCE

Congratulations on purchasing a Bessacarr product. We are confident that you will enjoy many happy holidays. However, should you have an enquiry or require assistance with a problem, we hope that this guide will be of assistance to you.

If you have a problem, or enquiry with regards to your new caravan, please follow these steps:

1. Check the Owners Handbook, paying particular attention to the fault finding advice at the back of the book.
2. Contact your supplying dealer for assistance.

If you need to contact the Swift Group, please be aware of the following:

1. When contacting Swift Supercare, please quote your name, postcode and serial number of your caravan, or build number of your motorhome.
2. In most instances, the Customer Care Team will involve your dealer in resolving the issue you are experiencing.
3. If you are contacting the company by email, letter or fax, the Customer Care Team will respond to you within five working days from the date of receiving the correspondence.
4. If you are calling the Customer Care Team, please avoid where possible, Mondays and lunch times.
5. Please be aware that the Swift Group cannot send parts direct from the factory. In all cases, without exception, your dealer must place the order for you.

Service/Inspection

TOURING CARAVANS - ANNUAL SERVICE/INSPECTION RECORD

In order to comply with the warranty, you must have your caravan inspected and serviced by an authorised Swift Group Service Centre at least once per year.

It is important that the Owner's Handbook is stamped on the appropriate page by the authorised Swift Group Service Centre. Failure to do this will invalidate the warranty and the transfer of the warranty on the change of ownership.

The inspection should take approximately two to four hours and will cover the areas dealt with in the annual service check list. Any areas requiring service and/or maintenance will be highlighted by your dealer and we recommend that you authorise any necessary work to be carried out.

NB. It is essential, to validate the warranty, that an annual inspection be carried out by an authorised Swift Group Service Centre covering the items listed.
